The Ramsey u3a Website

The website serves as a mechanism to both:

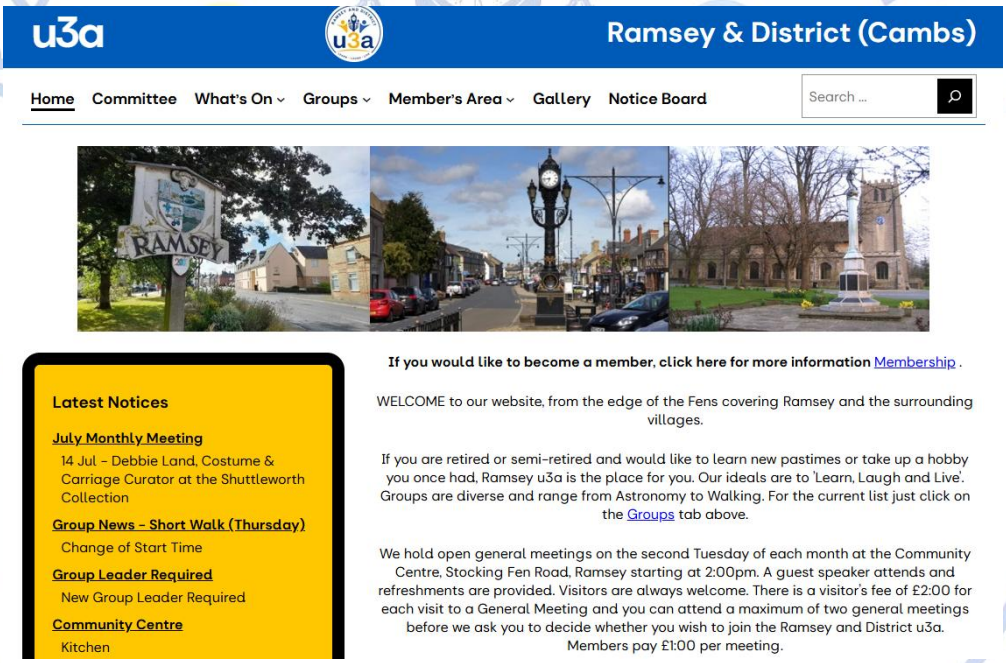

- engage with existing members by informing them of: forthcoming events, group activities and matters of interest.
- promote Ramsey u3a's existence to potential members and other organisations.

The site can be accessed in a number of ways, including:

- by typing "Ramsey u3a" into a search engine
- by using the Quick Response (QR) code. QR codes are the modern equivalent of a barcode, but can store more information.
  - Open the Camera app on your phone.
  - Point the camera at the QR code, it will automatically scan the QR code.
  - A link will pop up, tap it to open.

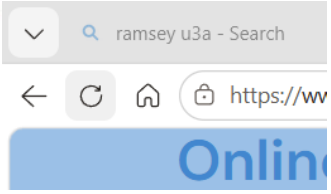

Home Page

This is the first page that people will see when logging onto the site.

- At the top of the page is the menu, through which you can gain access to all areas of the website
- While on the left, there is a "Latest Notice" area, which is used for Ramsey u3a specific announcements.

If you click on a link to another website, return to Ramsey u3a by selecting the left-hand arrow at the top of the screen.
